Excluded Property. A contract of insurance may be written to cover certain perils and losses resulting from that period but it will be limited to certain types of property. For example the fire policy excludes fire losses to money, deeds bills, bullion, and manuscripts. Unless it is written to cover the contents, the fire policy on building includes only integral parts of the building and excludes all contents.

Excluded Location: The policy may restrict its coverage to certain geographical locations. Relatively few property insurance contracts give complete worldwide protection. For example automobile insurance may be limited to cover the auto while it is in Ethiopia Insurance contracts may be discharged by the lapse of time, failure to pay premiums, failure to renew the contract cancellation of the contract.
