## Card Control

This profusely illustrated book demonstrates step by step the astonishing card magic cultivated by one of the premier sleight-of-hand artists of the 20th century. It presents maneuvers that have left theater audiences amazed and that card-playing professionals have used to great advantage. It is not a book for beginners, but will help those with basic card expertise reach new levels of performance in their art. Among the moves are shifts, palms, glides, false shuffles, cuts, fans, and steals. You'll learn how to do the false table riffle shuffle, how to deal from the bottom, how to know an opponent's hole card, how to "warm up a cold deck," and much more. In addition, the author presents forty dazzling deceptions guaranteed to amaze your audience: Confusion, Birds of a Feather, The Ambitious Card, A Brilliant Climax, Your Favorite Ace, A Quickie, The Obtrusive Queens, and many more. Over 300 photographs show the practitioner's exact hand positions during each critical move. Australian-born Arthur H. Buckley became well known in America for the magic he worked with cards on the major vaudeville circuits of the 1920s. Schooled by the great sleight-of-hand artists he met in the entertainment business and by professional gamblers he met in his early years touring Australia, his absolute mastery of the most artful and demanding card-handling routines was legendary. In 1946, he wrote this practical guide revealing in detail the secrets of his art. Any magician or card conjurer who aspires to the utmost proficiency in card manipulation will want to have this indispensable reference in his or her library.

## The King's Daughter

Mordecai's challenge to Esther, "Were you not born for such a time as this?" is repeated for all women throughout the ages, says Diana Hagee. Every woman has a divine destiny. But women cannot fulfill that goal unless they understand His biblical guidelines. In this interactive workbook, Diana leads women through a self-examination of their lives and their goals from God's perspective, not the secular society's. They look at Scripture that shows how valuable they are to God and how they can have an intimate relationship with Him. And then they evaluate the standards that make them a daughter of the King: God's blueprint for their unique personality, for their sexuality, and for their relationships in the home and in the workplace. Ideal for

individual use as well as for a woman's Bible study or for a larger discipleship/mentoring group, the book includes instructor's notes and an appendix of suggestions on how to conduct this twelve-week course.

In 1963, sisters Barbara Ann and Rosa Hawkins and their cousin Joan Marie Johnson traveled from the segregated South to New York City under the auspices of their manager, former pop singer Joe Jones. With their wonderful harmonies, they were an immediate success. To this day, the Dixie Cups' greatest hit, “Chapel of Love,” is considered one of the best songs of the past sixty years. The Dixie Cups seemed to have the world on a string. Their songs were lively and popular, singing on such topics as love, romance, and Mardi Gras, including the classic “Iko Iko.” Behind the stage curtain, however, their real-life story was one of cruel exploitation by their manager, who continued to harass the women long after they finally broke away from his thievery and assault. Of the three young women, no one suffered more than the youngest, Rosa Hawkins, who was barely out of high school when the New Orleans teens were discovered and relocated to New York City. At the peak of their success, Rosa was a naïve songstress entrapped in a world of abuse and manipulation. *Chapel of Love: The Story of New Orleans Girl Group the Dixie Cups* explores the ups and downs of one of the most successful girl groups of the early 1960s. Telling their story for the first time, in their own words, *Chapel of Love* reintroduces the Louisiana Music Hall of Famers to a new audience.
