

Asarotica

Asarotica

"What do porn stars find erotic?" is a question that has baffled the minds of adult film fans for decades. Thanks to adult film star and best-selling author of *Insatiable* and *Dirty Thirty*, Asa Akira, we finally get our answer--everything! No one knows the world of sex and eroticism better than those in "the industry." They've seen and done it all, from the weirdest fetishes to the most extreme positions, and now in this hot, new erotic collection they are going to test our own sexual repertoire. *Asarotica* features twenty-two erotic short stories by some of your favorite porn stars: Joanna Angel, Kayden Kross, Nina Hartley, and Asa Akira herself, among others. Original, authentic, eye opening, and arousing, *Asarotica* guarantees to "get you there," and to inspire a whole new generation to seek out unexpected pleasures...in books or in the bedroom.

Dirty Thirty

The world knows her as a porn star. . . but it's her way with words that will touch you again and again. Asa Akira's perceptive, funny, and straightforward writings on love, sex, death, marriage and celebrity come together in a surprising book of essays. Personally revealing as well as universal, *Dirty Thirty* marks the coming of age of a new literary star.

Insatiable

A "hot, hilarious, and engrossing" porn star memoir. "Akira is the Galileo of women's sexuality" (Alissa Nutting, author of *Unclean Jobs for Women and Girls*). After earning a good living by stripping and working as a dominatrix at a sex dungeon, Asa Akira built up a reputation for being one of the most popular, hardworking, and extreme actors in the porn business, winning dozens of awards for her 330+ movies, including her #1 bestselling series "Asa Akira Is Insatiable." In *Insatiable*, Akira recounts her extraordinary life in chapters that are hilarious, shocking, and touching. In a wry, conversational tone, she talks about her experiences shoplifting and doing drugs while in school, her relationship with other porn stars (she is married to one) and with the industry at large, and her beliefs about women and sexuality. *Insatiable* is filled with Akira's unusual and often highly amusing anecdotes, including her visit to a New Hampshire sex shop run by a mother and son. One of very few articulate voices writing from the inside, Akira has something important, controversial, and astonishingly interesting to say about sex and its central role in our lives and culture. "Akira is not only passionate about the porn industry, she is shameless, funny and even endearing." —Susannah Cahalan, *New York Post*, Best Books of the Year "Each chapter is filled with brutal honesty and self-deprecating humor. It's touching, inspiring, and flies in the face of a lot of people's preconceptions about the life of an adult film star." —Vice "Her book is a lot like her porn: raw, brutal and always unflinching." —Salon.com

The pendulum has shifted in Catherine's life once again. Four years after peeling back the curtain on The Janus Chamber, we find her now ironically working as a political journalist, settled into a mundane routine and dating life because she chose to tell the truth about Inana Luna instead of embracing a life of decadence with The Juliette Society. Meeting a man who reignites her passion for cinema and guilt-free sex makes her realize what she's been missing, but an unwanted scandal douses the flame. Forced to lay low, she finds an opportunity to take back her career with a human interest story in Honduras, but there are people who see Catherine's article as a threat and will do everything they can to stop her from writing. The world she finds is

unlike anything she's ever seen. Catherine is The Mismatched Girl, and as her life is turned upside down, she must choose to either perish . . . or be remade anew.

In this darkly comic and surreal collection from celebrated author Alissa Nutting, misfit women scramble for agency in a series of uncanny circumstances. Throughout these breathtakingly creative seventeen stories spread across time, space, and differing planes of reality, we encounter a host of women and girls in a wide range of unusual jobs. A space cargo deliverywoman enlists the help of her cybersex partner to release her mother from cryogenic prison. Desperate for affection and a more lavish lifestyle, a young woman falls under the corrosive spell of the fashion model for whom she's given up everything to assist. A woman submits to a procedure that will turn her body into a futuristic ant farm, only to discover the sinister plans of her doctor. Though the settings these women find themselves in are as shocking and unique as they come, the emotional battles they face are searing and real. Some are trying to fight their way out of the cycle of abuse, while others must cope with the anguish brought on by infertility or the aftershocks of an abortion. Still others confront and embrace their most depraved desires, carving out power for themselves in worlds that relentlessly ask for conformity. Wickedly funny yet ringing with deep truths about gender, authority and the ways we inhabit and restrict the female body, *Unclean Jobs for Women and Girls* is a brilliant commentary on the kaleidoscope of human behavior and a remarkably nuanced satire for our times.

Lovingly handpicked by Violet Blue, these stories are erotic gems, polished to perfection by an expert in erotica. *The Best of Women's Erotica 2* is wildly sexy, super smart, and, highly readable. What makes an erotic story "best?" It has that something extra, and a good plot and characters that truly interest you and commands your interest during their trysts, triumphs, and erotic adventures. In the editor's own words, "The result of taking all five years' final selections, over one hundred stories, and choosing the very best—the ones I couldn't ever get out of my head, the ones that turned me (and others) on almost dangerously fast, like a match to gasoline—was worth the wait." Steamy encounters include Adrie Santos' nervy, cautious "Paid for the Pleasure," which scratches more than one itch as a girl decides to let a man pay her—to receive oral sex. And, just when you think you have gender play all wrapped up in a nice and tidy bow, Lee Cairney's "Cruising" takes you trolling with a lesbian late at night in a park where she doesn't belong. What happens to her anonymously in public is as surprising as it is incendiary. Meanwhile, across town, Scarlett French is looking out her "Rear Window," watching her male neighbor and his trick provide full, explicit service for her to enjoy. These are just a few of the carnal classics in this best and boldest of all women's erotica.
