but serious writing roles for women were scarce.

A blockbuster story about going undercover as a Playboy bunny

put her on the map

Frustrated by the limitations her gender placed on her career

Gloria got involved in the growing women's movement of the late 1960s.

She began traveling the country mobilizing women to demand equal rights.

Her signature hairstyle and aviator glasses got plenty of media attention.

But it was her fearlessness that kept the cameras rolling.

Gloria eventually found a way to unite her two passions - writing and activism

by co-founding Ms. magazine in 1971

the first mainstream publication to focus on women's equality.

And she helped organize the 1977 National Women's Conference in Houston

giving gender equality its biggest platform yet.

The issue of child care is no longer one of choice for wealthy women

She's working to ensure that Black women's voices

And her best-selling books have led the conversation on gender equality

through five decades of change.

but her main focus: encouraging everyone to act.
