They Just Liked Having the Power Perhaps as Children They Didn't Realize the Effect that Their Actions Would Have Maybe They Were Bored They Wanted Something To Do but Why Find More Interesting Is that Even in the Trials When People Are Being Sentenced Their Death these Girls Are Still Having these Fits Screaming Out in Trance-Like State Did It Just Get Away from Them Did They Not Realize this or Effect That Actions Would Have and Then They Were Too Scared Back Down or Did They Get Too Much Enjoyment out of Finally Having a Little Bit of Power or Was It Actually Something Else Entirely I'M a Lot of People Suspect that this Was Just another Case of Mass Hysteria

It Can Cause a Number of Different Effects but Usually Manifests Itself in One of Two Ways as either Gangrenous Over To Zoom Which Involves the Burning of the Skin Blisters and of Course Gangrene Which Is Basically Where Your Extremities Rot and Fall Off this Usually Leads to Death Especially in the 1600s and Then There's Convulsive Orgasm Which Attacks the Central Nervous System Even Cause Mania Psychosis Loosen Ations Paralysis Pricking Sensations and Convulsions these Girls Often Play in the Feeling as if They Were Being Pricked with Needles and It's Well Documented that Their Body Is Convulsed for a Little while this Was the Accepted Version of Events of the Salem Witch Trials these Girls Simply Had Her Got Poisoning and the Religious Society Just Assumed It Was the Devil

Certain Men Were Only Accused When They Spoke Out against the Witch Trials against the Actions of Other Men It Could Have Been a Warning A Be a Good Puritan or Look What Will Happen to You You'Ll Be Accused of Being Witch and You Will Get Hung the Salem Witch Trials Was a Tragedy Something You Wouldn't Hope To Never See Again in Society
