All the Seas of the World

'Kay is a genius' Brandon Sanderson Returning to the near-Renaissance world of A Brightness Long Ago and Children of Earth and Sky, international bestselling author Guy Gavriel Kay tells a story of vengeance, power, and love. On a dark night along a lonely stretch of coast, a small ship, the Silver Wake, sends two people ashore to a stony strand. Their purpose is assassination. They have been hired to do this by two of the most dangerous men alive. The consequences will affect so many lives both great and small, and possibly alter the balance of power in the world. One of those arriving on that night strand is a woman abducted by corsairs from her home as a child, escaping that fate, that destiny, years after, now trying to chart her own course - and bent upon revenge. Another figure, on the boat, bringing it to meet the secretive landing party at the city where they are going, is a merchant who still remembers being exiled as a child with his family from their home, for their faith. Returning triumphantly to the brilliantly evoked near-Renaissance world of his most recent novels, international bestseller Guy Gavriel Kay deploys his signature 'quarter turn to the fantastic' to offer readers a wide-ranging, vividly memorable set of characters in a story of vengeance, power, and love, built around profoundly contemporary themes of exile, loss, and memory. In a narrative of page-turning drama, All the Seas of the World also offers moving reflections on choices, fate, and the random events that can shape our lives.

The Lions of Al-Rassan

Hauntingly evocative of medieval Spain, a deeply compelling story of love, adventure, divided loyalties, and what happens when beliefs begin to remake – or destroy – a world.

Children of Earth and Sky

Guy Gavriel Kay, bestselling author of the groundbreaking novels Under Heaven and River of Stars, once again visits a world that evokes one that existed in our own past, this time the tumultuous period of Renaissance Europe - a world on the verge of war, where ordinary lives play out in the grand scheme of kingdoms colliding. From the small coastal town of Senjan, notorious for its pirates, a young woman sets out to find vengeance for her lost family. That same spring, from the wealthy city-state of Seressa, famous for its canals and lagoon, come two very different people: a young artist traveling to the dangerous east to paint the Grand Khalif at his request - and possibly to do more - and a fiercely intelligent, angry woman, posing as a doctor's wife in her role of a spy. The trading ship that carries them is commanded by the clever younger son of a merchant family - with ambivalence about the life he's been born to live. And farther east a boy trains to become a soldier in the elite infantry of the khalif - to win glory in the war everyone knows is coming. As these lives entwine, their fates-and those of many others - will hang in the balance, when the khalif sends out his massive army to take the great fortress that is the gateway to the western world . . .

The Sarantine Mosaic

For the first time in one collection, the two internationally bestselling novels of The Sarantine Mosaic, one of Guy Gavriel Kay's most loved works. Sailing to Sarantium Sarantium is the golden city: holy to the faithful, exalted by the poets, jewel of the world, and heart of an empire. Artisan Caius Crispus receives a summons from the emperor and sets off on a journey toward the Imperial City. But before Crispin can reach Sarantium, with its taverns and gilded sanctuaries, chariot races and palaces, he must pass through a land of pagan ritual and mysterious danger. Sailing to Sarantium, the first volume of the brilliant Sarantine Mosaic, weaves an utterly compelling story of the allure and intrigue of a magnificent city and the people drawn into its spell. Lord of Emperors Having finally achieved his journey to fabled Sarantium, Crispin the mosaicist wants nothing more than to confront the challenges of his art high on the scaffolding of destiny—but in Sarantium no man may easily withdraw from the turmoil of court and city, or forget that the presence of the half-world is always close by. To the Imperial City there comes another voyager, this time from the east. Rustem of Kerakek, a physician, must find his own balance of family and ambition, healing and death, as he, too, is drawn into the deadly webs of Sarantium. In this concluding volume of the Sarantine Mosaic, Lord of Emperors merges page-turning adventure with a deeply moving meditation on art and power, and the eternal human struggle to leave a legacy.

Lord of Emperors

The thrilling sequel to Sailing To Sarantium and the concluding novel of The Sarantine Mosaic, Kay's sweeping tale of politics, intrigue and adventure inspired by ancient Byzantium.

Dragon's Milk

"You must go to the dragon. You must leave tonight.\" Before she even hears the words, Kaeldra already knows what she must do. She must search out the mother dragon whose draclings have just hatched and somehow get some of her precious milk. It's the only way to save her foster-sister's life. Kaeldra would rather not go. It's much too terrifying, much too dangerous. But Kaeldra knows that she's the only one who can do it. For she is the only one who can actually communicate with dragons. But little does Kaeldra know what she's getting into. She's about to begin a journey that will entwine her fate with that of three little draclings and one would-be dragonslayer. A journey she will become a struggle for life.

The Last Light of the Sun

Author Guy Gavriel Kay turns his gaze to the northlands, brilliantly evoking the Viking, Anglo-Saxon and Celtic cultures of a turbulent age. There is nothing soft or silken about the north. The lives of men and women are as challenging as the climate and lands in which they dwell. For generations, the Erlings of Vinmark have taken their dragon-prowed ships across the seas, raiding the lands of the Cyngael and Anglcyn peoples, leaving fire and death behind. But times change, even in the north, and in a tale woven with consummate artistry, people of all three cultures find the threads of their lives unexpectedly brought together... Bern Thorkellson, punished for his father's sins, commits an act of vengeance and desperation that brings him face-to-face, across the sea, with a past he's been trying to leave behind. In the Anglcyn lands of King Aeldred, the shrewd king, battling inner demons all the while, shores up his defenses with alliances and diplomacy-and with swords and arrows-while his exceptional, unpredictable sons and daughters pursue their own desires when battle comes and darkness falls in the woods. And in the valleys and shrouded hills of the Cyngael, whose voices carry music even as they feud and raid amongst each other, violence and love become deeply interwoven when the dragon ships come and Alun ab Owyn, chasing an enemy in the night, glimpses strange lights gleaming above forest pools. Making brilliant use of saga, song and chronicle, Kay brings to life an unforgettable world balanced on the knife-edge of change in The Last Light of the Sun.

BREACH OF PEACE

When an imperial family is found butchered, Officers of God are called to investigate. Evidence points to a rebel group trying to stab fear into the very heart of the empire. Inspector Khlid begins a harrowing hunt for those responsible, but when a larger conspiracy comes to light, she struggles to trust even the officers around her.

Beyond This Dark House

Before Guy Gavriel Kay became known for his groundbreaking works of speculative fiction, establishing himself as one of the world's most respected writers in that genre, he was an accomplished poet, his work appearing in major literary journals such as *The Antigoni Review* and *Prism*. Through the years, while writing his dramatic international bestsellers, Kay has continued to quietly explore the paths and boundaries of poetry as well. Now for the first time, Guy Gavriel Kay's poetry has been gathered and selected for publication. For those familiar with his fiction, the poems in *Beyond This Dark House* will resonate for their linguistic and emotional nuances and their mythological allusions, echoing and illuminating themes of his fiction. But readers of contemporary poetry will also be captivated by the exquisite craft and power of these poems. Some are ironic and austere, slyly tracing the interplay of writer and world, present and past; others are sensual, even erotic, charting the mercurial but abiding nature of passion-in love, in language, in history.

Guns of the Dawn

Guns of the Dawn is a pacey, gripping fantasy of war and magic, from Arthur C. Clarke Award-winning author, Adrian Tchaikovsky. 'One of the best books I've ever read' – Peter Newman, author of *The Vagrant*
The first casualty of war is truth . . . First, Denland's revolutionaries assassinated their king, launching a wave of bloodshed after generations of peace. Next they clashed with Lascanne, their royalist neighbour, pitching war-machines against warlocks in a fiercely fought conflict. Genteel Emily Marshwic watched as the hostilities stole her family's young men. But then came the call for yet more Lascanne soldiers in a ravaged kingdom with none left to give. Emily must join the ranks of conscripted women and march toward the front lines. With barely enough training to hold a musket, Emily braves the savage reality of warfare. But she begins to doubt her country's cause, and those doubts become critical. For her choices will determine her own future and that of two nations locked in battle. 'An engrossing story, beautifully told' – SFX 'Moving, gripping and wonderfully paced' – The Bookbag

River of Stars

In his critically acclaimed novel *Under Heaven*, Guy Gavriel Kay told a vivid and powerful story inspired by China's Tang Dynasty. Now, the international bestselling and multiple award-winning author revisits that invented setting four centuries later – a world inspired this time by the glittering, decadent Song Dynasty.

Jim Bridger

Even among iconic frontiersmen like John C. Frémont, Kit Carson, and Jedediah Smith, Jim Bridger stands out. A mountain man of the American West, straddling the fur trade era and the age of exploration, he lived the life legends are made of. His adventures are fit for remaking into the tall tales Bridger himself liked to tell. Here, in a biography that finally gives this outsize character his due, Jerry Enzler takes this frontiersman's full measure for the first time—and tells a story that would do Jim Bridger proud. Born in 1804 and orphaned at thirteen, Bridger made his first western foray in 1822, traveling up the Missouri River with Mike Fink and a hundred enterprising young men to trap beaver. At twenty he “discovered” the Great Salt Lake. At twenty-one he was the first to paddle the Bighorn River's Bad Pass. At twenty-two he explored the wonders of Yellowstone. In the following years, he led trapping brigades into Blackfeet territory; guided expeditions of Smithsonian scientists, topographical engineers, and army leaders; and, though he could neither read nor write, mapped the tribal boundaries for the Great Indian Treaty of 1851. Enzler charts Bridger's path from the fort he built on the Oregon Trail to the route he blazed for Montana gold miners to avert war with Red Cloud and his Lakota coalition. Along the way he married into the Flathead, Ute, and Shoshone tribes and produced seven children. Tapping sources uncovered in the six decades since the last documented Bridger biography, Enzler's book fully conveys the drama and details of the larger-than-life history of the “King of the Mountain Men.” This is the definitive story of an extraordinary life.
