So Shall We Stand (Women of Valor Book #2)

Memorable Characters Come to Life in WOMEN OF VALOR In this story, Nella inadvertently uncovers evidence that the death of an American soldier was a murder, not a suicide, and she becomes the next target for the killer. Suddenly it seems that everyone is a suspect or has something to hide. Who can she turn to when everyone seems to be harboring secrets and her own heart seems untrue? Will God's goodness and faithfulness surmount even the horrors of war?

The Hope Before Us (Women of Valor Book #3)

The Exciting Conclusion to the WOMEN OF VALOR series! Will They Escape the Sinister Forces That Are Closing in on Them? Uncovering a diabolical Nazi plot, Marge Emerson is secretly reassigned to a medical post in France. There she meets a conscientious objector and finds his outspoken belief in God a challenge to her own fragile faith. When David shares his desire to return to Europe after the war and build an orphanage for Germany's homeless children, Marge is drawn to this selfless, compassionate man. Marge's sister, a war correspondent, is recruited for intelligence work by an American secret service agency and quickly becomes involved in an intricate web of espionage. Em's fledgling relationship with a fellow correspondent is threatened by his concern over the dangerous risks she willingly embraces. When Marge and Em are unexpectedly reunited in France, they attempt a daring rescue. [Link to Readers' Discussion Questions](#)

Many of the prophecies about the last days have been fulfilled. We now find ourselves deep in the last days, with time ticking down until Jesus comes back for His church. So where is the Christian church in America? It's seemingly absent from the critical issues facing us today, like abortions-on-demand and the homosexual agenda, which God hates. Why have we not been about our Father's business? The church, for the most part, has been silent on these issues because our government, political factions, and the media have made it socially unacceptable to speak out against them. We are Christians and also American citizens. So why haven't we been up in arms about the healthcare program, tax increases, out-of-control spending, illegal immigration, open borders, voter fraud, and other issues? For years, we have believed our government would take care of all our problems and we have given up our freedoms because we are just too busy having fun to care about the details. So in the mean time, the government has grown huge and incredibly liberal, leaving us in a blank stare at this Goliath of a government and not knowing what to do or what can be done at this point. We all know it is not right and is moving quicker every day in the wrong direction. The answer to this question is deep in the Bible, the Constitution, and the Bill of Rights. When read properly, they release enormous power back into our hands in order to turn our country and government back to God and the

people. It is now incumbent upon our spiritual leaders to connect our churches together and educate us on the principles set forth in them so we can take action as Jesus would.

Operation 180

Thirty Days of Wisdom, Encouragement, and Prayer for Christian Parents Raising Honorable and Pure-Hearted Young Men and Women Teaching children how to live godly lives in a world geared toward selfishness is beyond difficult. Moral character, self-respect, respect for peers, respect for authority, the sanctity of life, purity, and honoring God in all things, are the character traits of a righteous child. Through real-life examples and practical application, Dr. Citro shows parents how to instill Godly-character, confidence, and success from birth to adulthood. In this easy-to-read and easy-to-understand thirty-day devotional, Dr. Citro uses personal examples of challenging situations, taboo topics, and biblical ways to handle each. Each daily devotion includes teaching surrounding a specific issue, a practical example of the topic, along with a parental prayer for spiritual power and dominion. Dr. Citro explains how to effectively put the Armor of God on our children while personally living a life of holiness and righteousness.

"Grandchildren are the crown of grandparents, and parents are the glory of their children." Pray from Your Gut Satan is alive, well, and actively searching for opportunities to ruin you. Perhaps your trying circumstances or struggling relationships reflect his schemes. Does that make you angry? If you've ever suppressed simmering anger toward the enemy, seeing it as an intrusion into your prayers, it's time you experience the power of violent prayer. These very emotions of hatred and anger against Satan are fuel for life-changing prayer. Overcome an unhealthy, passive approach to prayer that dilutes your communion with the reigning Victor. When you move from defensive, reactive prayers to offensive, proactive prayers with an aggressive agenda, things begin to change. And you don't want to miss out. When the Battle Rages, Wage Prayer You witness evil all around and it bothers you. You fall to your knees and tentatively, hopefully, you approach God and ask Him to step in. But nothing happens. Goodness and righteousness seem to be fighting a losing battle. You wonder, Why is God so passive? Perhaps the better question is this: Why are you so passive when it comes to prayer? Embrace the infuriating, passionate emotion that wells up within you against Satan and his schemes. Turn your righteous anger into proactive, aggressive prayers that invite God to intervene and destroy the evil around you. Engage in violent prayer. "Chris Tiegreen writes with wisdom, knowledge, and creativity. Violent Prayer is a wonderful resource for Christians who want to make prayer a more powerful part of their lives." Carol Pipes Editor, On Mission Story Behind the Book "Especially in praying for my family, I've learned that there is a connection between the emotional content of my prayers

and the results I see later. Many such experiences have convinced me that ‘violent’ prayers can be quite appropriate and effective. My book gets into the nuts and bolts of praying God’s agenda without reducing it to formulas, hierarchies, military strategies, or any other clichéd approach to spiritual warfare. It primarily addresses the emotional attitude of the believer and describes how to incorporate God’s holy anger into prayer for specific situations. Christians will learn how to pray from their gut-level reactions to the enemy’s agenda.” —Chris Tiegreen

Violent Prayer

As authors and publishers, individuals and collectives, women significantly shaped the modernist movement. While figures such as Virginia Woolf and Gertrude Stein have received acclaim, authors from marginalized communities and those who wrote for mass, middlebrow audiences also created experimental and groundbreaking work. The essays in this volume explore formal aspects and thematic concerns of modernism while also challenging rigid notions of what constitutes literary value as well as the idea of a canon with fixed boundaries. The essays contextualize modernist women's writing in the material and political concerns of the early twentieth century and in life on the home front during wartime. They consider the original print contexts of the works and propose fresh digital approaches for courses ranging from high school through graduate school. Suggested assignments provide opportunities for students to write creatively and critically, recover forgotten literary works, and engage with their communities.

Emerging in the medieval period, chivalry embodied ideals that elite warriors cherished and practices that formed their profession. In this major new overview, Richard Kaeuper examines how chivalry made sense of violence and war, making it tolerable for elite fighters rather than non-knightly or sub-knightly populations. He discusses how chivalry buttressed status and profession, shaped active piety, and fostered intense warrior attachments and heterosexual relationships. Though showing regional and chronological variations, chivalry at its core enshrined the practice of prowess in securing honor, with this process significantly blessed by religion. Both kingship and church authority sought to direct the great force of chivalry and, despite tensions, finally came to terms with rising knightly status and a burgeoning military role. Kaeuper engages with a wide range of evidence in his analysis, drawing on the chivalric literature, manuscript illumination, and sermon exempla and moral tales.

Bowker's Guide to Characters in Fiction 2007

“Original and compelling insights into the human capacity for war . . . A must read for anyone interested in the psychological depths of human nature.” —Barbara S. Held, author of *Back to Reality* Almost 200 million

human beings, mostly civilians, have died in wars over the last century, and there is no end of slaughter in sight. *The Most Dangerous Animal* asks what it is about human nature that makes it possible for human beings to regularly slaughter their own kind. It tells the story of why all human beings have the potential to be hideously cruel and destructive to one another. Why are we our own worst enemy? The book shows us that war has been with us—in one form or another—since prehistoric times, and looking at the behavior of our close relatives, the chimpanzees, it argues that a penchant for group violence has been bred into us over millions of years of biological evolution. *The Most Dangerous Animal* takes the reader on a journey through evolution, history, anthropology, and psychology, showing how and why the human mind has a dual nature: on the one hand, we are ferocious, dangerous animals who regularly commit terrible atrocities against our own kind, on the other, we have a deep aversion to killing, a horror of taking human life. Meticulously researched and far-reaching in scope and with examples taken from ancient and modern history, *The Most Dangerous Animal* delivers a sobering lesson for an increasingly dangerous world. “Illuminates an exceedingly dark subject: humankind’s deep-seated penchant for war. The result is a discerning, insightful, highly original, and very disturbing book.” —Andrew J. Bacevich, author of *The Age of Illusions*
