Redeemed

Much more than a great love story, the book of Ruth tells of redemption, sacrifice, and the price that was paid to buy freedom. In Redeemed, author Rhonda Williams offers a ten-week women's Bible study focusing on the book of Ruth. The study examines various aspects of the book of Ruth, the Bible's greatest heroine, and considers how her story applies to today's world. It depicts a picture of Jesus and how he chose you, loved you, and paid the ultimate price to purchase your freedom from sin and set you free. It paints a picture of the figures of Ruth, Naomi, and Boaz and their relationships, family issues, love, loyalty, bitterness, death, hunger, and more, recognizing the stark contrast between Naomi and Ruth, their responses to life's trials and the ways those responses affect each of them and bring blessings. Finally, it invites you to dig deeper into the biblical text and your life through study questions. Through the figures in the book of Ruth, Redeemed helps you visualize the pain of their trials and then experience the joy of being redeemed. Ruth's story communicates that no matter who or where you are, you have hope and that hope is in Jesus Christ, redeemer.

Redemption Redeemed

John Goodwin (1593-1665), the eminent Puritan Arminian divine, was a man ahead of his time who lived in a turbulent era in which many principals, both theological and governmental, were subjects of controversy. This new edition of *Redemption Redeemed* (originally published in 1651), provides a major refutation of the Calvinistic limited atonement doctrine. Goodwin has written an adversarial treatise in which he, step by step, examines the overwhelming scriptural and theological evidence supporting the idea that Christ died for all mankind. He also refutes the opposing arguments of his day and argues that God, through his grace, provides the opportunity for all people to be saved. The *Methodist Quarterly Review* noted: "Had *Redemption Redeemed* been his only publication, it should have been enough in itself to perpetuate his (Goodwin's) fame. Its great learning, clear reasoning, sound judgment, and admirable spirit, render it worthy of the study of the lovers of this glorious doctrine, and the name of its author is one which all Arminians should delight to honor. A volume so ably written, and going to the bottom of the controversy, could not in that polemical age fail to create a storm." In the contemporary period, as Christians enter the 21st Century and Calvinism with its disturbing implications is making a resurgence, Goodwin's masterful work is a welcome and much needed contribution to those seeking to understand the truths of God's word.

Simply Redeemed

"You Are... Forgiven. Chosen. Purchased by Love. Simply Redeemed!" "Without any question, we have been transformed from something that was unpleasant in God's sight and now made acceptable unto Him. We were once enslaved to sin but was 'bought back' with a price on the cross—purchased by love!" Written with authenticity and transparency, *Simply Redeemed* is a devotional that is designed to encourage women to embrace their purpose in God with the understanding that they are loved and redeemed by the sacrifice of Christ. Through the application of personal stories and compelling scriptural references, the author invites all to trust in the Lord and stand with him every day in acceptance of themselves rather than pursuing acceptance

from others “for such a time as this.”

Redeemed from the Curse

Are the gentiles under the law in Paul? This question has three possible answers: (1) Paul understands that gentiles are not under the law because they do not have the law; (2) conversely, and although it appears to be ironic, Paul puts gentiles under the law even though he acknowledges that they do not have the law; or (3) he reveals his confusion concerning the relationship between the law and gentiles by saying gentiles are under the law in one place and then saying gentiles are without the law in another place. This book investigates the literature of Second Temple Judaism and the Greco-Roman world to uncover the possible background of Paul's understanding of law and its relationship to the gentiles. This book then engages in exegetical studies on key texts of Paul relative to the law and gentiles by way of historical-grammatical research. The thesis of this book is that, although Paul acknowledges gentiles to be without the law (Rom 2:14) and Israel as having the law as her privilege (Rom 9:4), Paul paradoxically places gentiles along with Jews under the law which gentiles never possessed. For Paul, gentiles not having the law are under the law and its curse. Christ's sacrificial death on the cross redeemed Jews and gentiles from the curse of law.

Veena Osborne and her mentor, Abraham Jones, lead the Tierrans through the daily trials of surviving in post-apocalyptic San Diego. Together, they cling to the daily disciplines of faith and life that keep them safe and alive. When Nate Sinclair stumbles out of a NASA-sponsored suspended animation experiment and into a world changed by catastrophic fires and pandemics, he finds his way to the Tierrans, and to Veena. The miraculous preservation of Nate through all the trials of the world might be enough to keep a sterile humanity alive, but the spreading knowledge of his immunity threatens to push the surviving humans into all-out war. This apocalyptic novel is sure to entice fans of P.D. James (*The Children of Men*), Lauren James (*The Quiet at the End of the World*), and Clare Morrall (*When the Floods Came*) with its vibrant characters and intense storylines.

Redeemed to Overcome

Drexel L. Pope, Sr. offers hope and motivation to those who are suffering, and helps readers understand what it takes to battle through and overcome the problems they face today. To do this, Pope says, readers must remember that God measures success differently than man. To become an overcomer, readers must learn to turn away from all elements of self-will, independence, self-centeredness, and isolation and embrace total dependence upon and trust in the Lord. The greatest hindrance for Christians to live an overcoming life is neither a charming world nor a clever devil. Instead, it is the deceitful carnal nature of a fallen self-life. Pope offers an insightful scripture-laden study of what and how Jesus overcame so we may gain understanding on how to follow His lead. It is not an easy task, one that is full of challenge and promise. The challenge is to overcome evil for the glory of God. The promise is that if we do so, we will sit with Christ on his throne.

About the Author In 1992, Pastor Drexel L. Pope Sr. and his wife founded an independent charismatic church in the Phoenix, Arizona, area. He also leads and moderates a unique community Bible discussion group using the expository approach to Bible study. Pope, who was born again in April 1953 while attending the Church of God in Clovis, New Mexico, retired from teaching after 29 years in 1988. Recent Release: Christ Glorious Bride

Redeemed of the Lord

Let the redeemed of the Lord say so, whom he hath redeemed from the Lord of the enemies. Psalm 107:2

Many questions have been asked concerning the redeemed or redemption, such as, What is the meaning of the word redeemed, who are the redeemed, or is there a process one must go through in order to obtain redemption? Ministers, soul winners, and missionaries alike are approached with these questions at some time or another. Most people asking these questions truly are seeking honest answers. Not often one will ask questions on redemption for sarcastic reasons. For some unknown reason, these questions create problems and misunderstanding for some and causes confusion for others. It is the author's determination to solve some of the problems and clear the minds of some who may be confused. The questions and problems in this presentation are of great significance because they present the arguments for this study. One most important factor as we enter this field of study is that we must use the absolute, correct approach in answering any questions, but especially questions where religion and Christianity are concerned. The second most important factor is that one must have some background and knowledge on the subject matter before attempting to answer any question and most importantly any question that is biblical. Third, one must be able to rightly divide the matter, the material, the evidence, and the proof of the issue that is being discussed or argued. To

fulfill the prescribed course work, I am presenting this thesis of not less than forty thousand words in length. This entire work will culminate, if approved, in a degree of master of theology (ThM) with a deep interest in the field of Christian education as an instructor. It is also my sincere desire to continue my work in this field and to immediately start working on a doctorate degree in theology, again my main focus being Christian education. I have no doubt that teaching is my calling for the work in the Master's vineyard. Ruthie Johnson

The Worldview of the Word of Faith Movement: Eden Redeemed

This volume approaches the Word of Faith as a worldview, and analyses the movement through N. T. Wright's model for worldview-analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith. The reader receives insights into the movement's narrative, semiotic, practical and propositional dimensions, which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world. The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings. This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection. The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism.

Confederate States Redeemed

Jarvis J. Williams argues that the Jewish martyrological ideas, codified in 2 and 4 Maccabees and in selected texts in LXX Daniel 3, provide an important background to understanding Paul's statements about the cursed Christ in Gal. 3.13, and the soteriological benefits that his death achieves for Jews and Gentiles in Galatians. Williams further argues that Paul modifies Jewish martyrology to fit his exegetical, polemical, and theological purposes, in order to persuade the Galatians not to embrace the 'other' gospel of their opponents. In addition to providing a detailed and up to date history of research on the scholarship of Gal. 3.13, Williams provides five arguments throughout this volume related to the scriptural, theological and conceptual, lexical, grammatical and polemical points of contact, and finally the discontinuities between Galatians and Jewish martyrological ideas. Drawing on literature from Second Temple traditions to directly compare with Gal. 3.13, Williams adds new insights to Paul's defense of his Torah-free-gentile-inclusive gospel, and his rhetoric against his opponents.

Biennial Report of the Treasurer of State to the Governor of Iowa

Learn more about Redeemed by Grace . At age eight, Ramona Treviño climbed to the top of a roof and begged God to let her know he was real. After receiving a sign, she made a pact with herself to follow him always. But family difficulties and growing pains made it hard for her to continue on that path. Pregnant at 16, she dropped out of high school and entered an abusive marriage, which ended in divorce. Wanting to make a difference and to help girls in similar tough situations, she accepted a job as the manager of a Planned Parenthood facility in Sherman, Texas. Over time, however, Ramona began to grapple with whether she was doing women more harm than good, setting her on a path to seek the truth, no matter where it might lead. Realizing she could no longer refer women for abortions or provide them with false assurances of risk-free sex, Ramona took a leap of faith and left the financial security of her job. Her ultimate conversion involved a full return to the Catholic faith of her childhood and a new role as a pro-life advocate and speaker. This compelling story tells of Ramona's struggle to reconcile her identity as a daughter of God with a world that sends conflicting messages concerning the source of our dignity and happiness. It is the honest and heartfelt account of a woman who, with the help of grace, strove to overcome the wounds of her own past while becoming an agent of healing for others.
