What Does Theology Mean

Robert Russell's Books

Letting Go of the Past

What I Wanted with What I Was Doing and I Had To Believe I Could Get It Wasn't Napoleon Hill Say He Says There's a Difference between Wishing for Something and Believing You Can Receive It and He Said the Key Is You've Got To Believe It William James Says Believe in Your Belief Will Create the Fact Well You Know that's Where It all Starts that's Where It all Starts I Don't Care How Simple It Is I Don't Care if It's Just Winning a Sweater with the Yo-Yo It Could Be Writing the Five Million or It Could Be Doing What that Men Did in the Boxcar It Works both Ways Yet Has no Ability To Change the Idea Whatever You Ask for that's Exactly What You Get Now as You Take the Idea that You Build and You've Got the Ability To Sit Down and Design any Idea You Want You See if You Are Going To Decorate Your Room You'D Get an Idea Here in Your Mind of How You'D Like that Room Decorated

It Works both Ways Yet Has no Ability To Change the Idea Whatever You Ask for that's Exactly What You Get Now as You Take the Idea that You Build and You've Got the Ability To Sit Down and Design any Idea You Want You See if You Are Going To Decorate Your Room You'D Get an Idea Here in Your Mind of How You'D Like that Room Decorated and Then You'D Go and Get the Things That You Needed and You'D Put Them in Place until You Had Built on the Physical Plane of Life a Replica of the Picture You've Got in Here

Would You Say It Starts Right in Here You Start Hearing It in Your Head Don't You that's Right You Actually Hear the Music in Your Head You See Scott Takes this Power and He Turns It into Music in His Head He Literally Hears It and as He Hears It He Sees It Written on Paper Am I Right or Wrong Then You Take a Pen or a Paper and You Write It Scott Stand Up for Just a Second because this Is a Good Example Then When He's Got the Music He Not Only Rights to Music He Put Words with the Music Is that Correct

And He Knows those Words What Are Words Words Are Nothing but Ideas Dressed Up for Our Physical Benefit and You Put Words and that Puts More Meaning than to the Sound That You've Heard Is that Correct Thank You Span Did You See some People Will Say Well He's Creative but I'M Not that's Not True Everyone's Creative We'Re All an Expression of the Same Power We'Ve all Been Given the Same Tools Scott Has Developed those and Many of Us Haven't this Is Where It Starts Now You'Re Working with the Universal Power this Power Just Isn't in You It's in Everyone It's in Everything We Use this Drawing To Graphically Convey an Idea of You Your Body Your Mind Your Intellect

What Should They Do They Should Ask for Help Where Does It Come from There's Only One Source and They See Perfect Health or They See Prosperity but the Cynics Don't Believe this It's a Strange Thing the Cynics Don't Get Results Hey There Quit Letting Your Present Results Control Your Thinking this Power That I Call God Is in every One of Us and It's No More Present in One Person than It Is in the Other It's Got to Turk Hasn't Gotten any More this Power than Bob Scott Plouffe Hasn't Got any More of It than than Reen's God Reena Hasn't Got any More of It than Dave's God every One of Us Are Expression of the Same Power and When We Really Grasp this this Universal Concept We'Re Going To Realize

Now We Want To Try and Understand this Concept on Page 28 We Say You Are a Perfect Instrument for Spirit To Express Itself through Start To See Yourself Now every Time You Think of Yourself Think of that Drawing There every Time You Think of the Drawing You Think of Yourself You've Got To Have an Image To Work with on Page 28 We Say See Yourself as a Perfectly Endowed Spiritual Instrument without Limitation When You Do You'Re GonNa Find It Easy in Fact Natural To Expect the Good You Desire You Will Also Understand that Doubt Simply Obstructs the Unfoldment of the Prosperity in Your Life Now Read this Bottom Paragraph

It's Not What's on the Outside That Makes It Fly It's What's on the Inside and that's the Way It Works Interesting Idea We Say Comparatively Few People Today Realize Just How Much Faith in Oneself Your Higher Self Not this False Concept That We'Ve Been Running Around with Can't Do this Can't Do that Your Higher Self that Sight of You That's Universal that's the Same Side of Us All that Part of You That Spiritually Perfect Has To Do with Your Achievement the Majority of People Never Seem To Conceive of Faith as Being a Genuine Creative Force yet the Truth Is that Not Only Is Faith a Bona Fide Power

You Take the Description of the New You That You Wrote Up on Page 26 that New Description Should Include no Negatives It Should Be in the Present Tense It Should Not Say I Am Going To Become It Should Say I Am I Am So Happy that I Am and Describe Everything That You Want To Be It's Going To Be this Is Vaguely Important in Present Tense this Part of Your Personality Knows Nothing about Past or Future There's Only Now You Ask Yourself Where Am I What Time Is It You'Ll Always Get the Same Answer to those Two Questions I'M Here It's Now So this Is Written in Present Tense It Includes no Negatives Everything Is Positive You Write It Out When You Write It Out You Have Built Brain Cells

The More Often You Listen to that Section of You'Re Born Rich Program the Clearer Its Going To Be in Your Mind I Previously Mentioned There Were Two Pages in this Book That Would Make a World of Difference for You One Was Page 26 and the Other Was Page 30 Now on Page 26 as You Wrote Down the Person You Wanted To Be You Might Have Looked at that as Being a Fantasy Do You Know some People Truly Live Their Fantasies What Was Actually Happening When You Sat and You Thought of the Person You Want To Become You'Ve Built this Picture in Your Mind

Go and Lay Down Someplace Quiet by Yourself and Turn this Cassette On and When You Get into a Very Relaxed State Throw the Switch of that Person You Want To Be You'Re Going To Activate those Brain Cells Now in the Beginning It's Going To Remain a Fantasy but by Playing this Tape Daily Twice a Day if You Can and Turning that Picture on that You Built on Page 26 Activating those Brain Cells That Fantasy Is Going To Be Turned into a Theory in Your Mind Now every Time You Build that Picture in a Relaxed State Take Page 30 and Rewrite

Until You'Re Able To See It and Then Proceed by Acting on It You Will Never Experience the Desire Now I Want To Move Over to the Other Board and Cover a Little Idea That Is Very Dear to My Heart Just before I Touch in the Book Now Think about this Everybody in Here at One Time Started Out Even in Search of a Better Condition Improved Quality You Could Say in Our Life but for some Reason or Other Somewhere in the Neighborhood of 20 % of the People Actually Experience the Objective the Goal the Purpose That They Started Out with

I'M Going To Proceed on the Premise That You Followed every Suggestion John or I Have Given You You've Got Involved in every Exercise the Goal Is Firmly Established You've Got the Picture and Now You're Prepared To Make Your Move Now this Is What We Call the Moment of Truth this Is Where You Exercise Your Natural Risk Taking Ability We Mentioned Right at the Beginning of this Series When We Refer to that Beautiful Little Baby That Baby Is a Natural-Born Risk-Taker So Were You So Am I So Is Everyone Our Problem Is We Have Many Shackles That We Pick Up as We Move along the Road Fear Holds Us Back from Literally

And I Used To Go and Listen to Jay every Weekend because I Liked His Ideas I Liked His Way of Communicating His Ideas He Put Them in Terms that You Could Take Them and You Could Use Them He Said Recently I Visited Alcatraz Prison once It Housed the Most Hardened of Criminal Today It's Open for Tours under the Direction of the United States Parks Department Many Men Have Tried To Escape Alcatraz but no One Is Known To Have Succeeded as I Listened to the Tour Guide Explained the Impossibility of Escape I Thought of Other Prisons Equally as Confining His Alcatraz Where the Doors Are Never Locked no Guards Walked the Walls Escape Is Encouraged and in Fact Possible

Now We'Re Going To Run through a Mental Process That every One of Us Have Experienced I'M Not Going To Talk to You about Something You Do Not Know about I'M Going To Talk to You about Something You Do Know about You May Not Know How To Stop What Happens but It's Happened to every One of Us It's Happened to You Now Let's Go Back and Draw on the Information That We Started with in Our Little Life

You Never Dreamed It Would Be a Half a Million a Year though Never Never Have You any Idea How Many Years It Would Take You To Earn a Half a Million at 18 K Seven and Your Hair Wouldn't Be Black and Curly My Friend It Would Be Long and Great Now if You Had any Left but You See It's Generally Much Better than You Ever Even Think It Will Be Now I Want You To Keep Thinking about Elle's Situation Al Is a Real Estate Agent and He We'Ve Already Found Out that There's Only 13 out of 20 Thousand That Are Doing a Job That May Be a Little Superior to His

I Mean I Don't Think He Got that on 18k It Had a Couple of Years Wages for Low in There Now Let's Come Back Again and Focus Here Here's Al That's Type Energy X Type Vibration It's Type Behavior X Type Results and He Gets to the Point Where He's Thinking I Think I'M GonNa Do that but before You Can Act on ay Type Idea It Must Go through that Part of Your Personality You'Ll Never Act on an Idea without Passing It through Here It Is the Power That Do with the Work Remember that John Brought that Out in the Last Lesson

You'Ll Never Act on an Idea without Passing It through Here It Is the Power That Do with the Work Remember that John Brought that Out in the Last Lesson and every Time He Went To Impress that Idea the Y Type Idea on the X Type Energy You Know What that Did that Instantly and Automatically Affected His Entire Nervous System Yet Set Up a Chaotic Vibration We'Ll Call It a Foreign Vibration It's an Xy Type Vibration Mental Conflict and Instantly and Automatically Don't Fear and Anxiety Just Zoom through His System and It Happened So Fast He Didn't Even Know What Was Happening When that Feeling Took Over He Did Not Know How To Control It

Do You Know that I Started To Study these Ideas Just a Few Months before Brian Was Born and a Big Change Took Place My Life Just a Few Months after He Was Born but Zuker Say There's Two Classes no Class in First Class I Made Up My Mind that I Was Going To Program some Ideas into Their Little Minds There Were a Lot Different than the Ones I Had Programmed into Mine Now this Is Saying Nothing against My Parents They Gave Me Everything They Had You CanNot Give a Person Something You Do Not Have We Traveled I Had Them Fly in the Front of the Plane First

I Know that I'M Going To Reach My New Goal of 1 3 Million Dollars Well To Make this Year To Earn Five Hundred Thousand Dollars in the Next Twelve Months I Came to Proctor Seminar Four Years Ago at that Time I Set My Goal To Make \$ 40 , 000 a Year Salary and after Four Years Making About Three Times that and Come Back Again I'Ve because I Want To Make It no Triple or Quadruple I Want Honors When I Graduate with Honors We'Re Going To Talk about the Fine Line between Winning and Losing and as It Says in Your Book

### The Creative Power Only Works by Deductive Methods

She Said When You Do that It Will Attract to You all Things Requisite to the Fulfillment of that Picture and It'll Attract It by the Harmonious Vibration the Law of Attraction Know What You Have To Do if Nothing's Created or Destroyed You've Got To Get on the Same Frequency as the Good That You Desire Is on There's Music in this Room Right Now You Don't Hear It but It's Here if I Brought In a Little Transistorized Radio and Turn It on You'D Hear the Music

Now You Come Back Here We Say under the Law of Vibration We Find that Everything Vibrates Nothing Rests Everything Is in a Constant State of Motion There Is no Such Thing as Inertia from the Mental to the grossest Form of Matter all Is in Vibration this Lectern Is Made of I Suppose We Would Call It Lucite However Yet Appears To Be Solid but It's Really Not if You Look under a Microscope You'll See Particles of Energy Moving and of Course That Would Be the Same with every Physical Form That You Might Look at under a Microscope
